When submitting your application, please include the following:

- Copy of your tax certificate
- Pictures of your store, shop, or parts trailer
- Any ads you have for your business - yellow pages, trade magazine or newspaper

I acknowledge and understand that the Carolina Racing Supply & TomCat Performance dealership program is intended for chassis builders, trackside suppliers, parts resellers and similar businesses only. Furthermore, I also understand that a minimum purchasing volume of \$2500 per year is required in order to keep my dealership in good standing with Carolina Racing Supply. If I fail to meet the purchasing minimum, I understand that my account will be up for review and subject to adjustments, including loss of wholesale dealer pricing.
